Sponsorship Proposal for the ECDM Expo Digital Agencies Roundtable

What are the issues that Digital Agencies have to deal with? Which are the trends and the outlook for the industry? These are some of the questions that will be answered by the leaders of leading Greek Digital Agencies, at the Digital Agencies Roundtable (DAR) event.

The event will take place on the afternoon of September 24, 2023, and will essentially be the closing of eCommerce & Digital Marketing Expo SE Europe 2023.

This year, for the first time, two important surveys will be presented at the event.

The first one, deals with the Digital Agencies industry, and were involved more than 250 companies. It was designed to map the sector that is constantly evolving.

The second one, deals with e-shops and its purpose was to map their needs in partnerships and services, in order to become more competitive and grow further, in Greece and abroad.

The surveys will serve as a guide for the discussion that will follow, with the participation of some of Greece's leading Digital Agencies CEOs.

The attendees will also be able to participate in the discussion, by asking questions to the participants.

The DAR event has developed into a meeting point, where the Greek Digital Agencies meet and discuss the issues that concern the industry on a regular basis.

More than 160 company executives attended the previous event, where more than 14 CEOs from leading Digital Agencies participated.

Only executives from the industry are allowed to enter the event.

Best regards,

Vasilis Yannikos
