

Dear exhibitors,

Publitec, with its dynamic presence in the exhibition sector, can cover any need that might arise in terms of providing audio-visual equipment during the **eCommerce & Digital Marketing Expo SE Europe 2023**.

The services provided by the company includes the transportation, installation, operation and disassembly of the AV equipment.

For example, the rental cost for displays, for the 2 days of the event, is:

- **For a Display LED 4K 43"**: 100 euros plus VAT
- **For a Display LED 4K 55"**: 130 euros plus VAT
- **For a Display LED 4K 65"**: 160 euros plus VAT
- **For a Display LED 4K 75"**: 250 euros plus VAT

Payment: upon delivery.

In the price is included a floor base for the display, media player for material to be played via USB stick and all necessary cabling. The supported files are .mpeg1,2,4, .avi and .vob.

The base is 2m in height and can be adjusted in three (3) positions every 10cm.
